Company history

Ripuraj Agro Pvt. Ltd. was founded in 2010 by Shri Rameshwar Prasad Gupta with a simple mission: to bring the hard work of farmers to households through quality rice. Starting with our first mill in 2012, we have grown to four state-of-the-art rice mills with a combined capacity of 1200 MT per day. We are proud to be among the first in India to launch branded rice in the non-basmati segment, making quality rice accessible to every family. Today, Ripuraj stands for purity, innovation, and trust.

OUR MISSION AND VISION

Our Mission

Deliver high-quality rice that brings taste, health, and trust to every meal.

Our Vision

To be a global food brand rooted in Indian values.

Values

Consistency, Integrity, Responsibility, and Care.

OUR JOURNEY

2012

In 2012, Ripuraj Agro began its journey with a vision of providing high-quality rice. Starting with just 6 TPH and a modest turnover of ₹7.89 Crores, the foundation was set for future growth.

2019

Between 2013 and 2019, Ripuraj expanded its production capacity to 30 TPH, solidifying its presence in the region. This period marked the company's growth into a regional leader, known for its consistency and quality.

2021

By 2021, Ripuraj Agro had successfully grown to a turnover of ₹322.68 Crores. During this time, it was recognized as a prominent player across Eastern India, enhancing its market position and reputation.

2024

In 2024, Ripuraj Agro expanded further to 42 TPH, achieving a turnover of ₹687.94 Crores. This expansion laid the groundwork for even greater success as the company prepared for a national and global presence.

2025

Looking ahead to 2025, Ripuraj Agro is poised for remarkable growth with a turnover projection of ₹867.34 Crores. The company is preparing to extend its reach beyond India, focusing on both national and international markets.

2026

In 2026, Ripuraj Agro will grow its capacity to 66 TPH and reach a turnover of ₹1200 crores. This expansion will set the stage for the company's national and global growth in the coming years.

CORPORATE SOCIAL RESPONSIBILITY

At Ripuraj Agro Private Limited, we believe that true growth is measured not only in business success but also in the positive impact we create for people and communities. Through our Corporate Social Engagement (CSE) initiatives, we strive to give back to society, support local development, and promote sustainable living.

CSR & Community Engagement

At Ripuraj, business goes hand in hand with responsibility. Through the Ripuraj Foundation, we have been supporting Maher Mamta Niwas, a home for women in need, for over two years.

Our support includes the monthly donation of 500 kg of rice, essentials, and regular festival celebrations with the residents. Beyond material help, our goal is to share dignity, care, and long-term support.

For us, CSR is not a one-time effort but a consistent relationship—because true success is measured by the lives we touch.

CSR & Community Engagement

Some bonds are woven by the heart, not by blood... and this Rakshabandhan, we celebrated those bonds with love, laughter, and togetherness. Some bonds are woven by the heart, not by blood... and this Rakshabandhan, we celebrated those bonds with love, laughter, and togetherness.

PHASE ONE

RIPURAJ GROUP EXPANSION PLAN IS GOING ON AND WILL BE COMPLETED BY **2027-2028**

Our Vision

By the completion of this expansion plan, **Ripuraj Group** aims to become **India's largest and most advanced rice processing company**, known for its trust, quality, and scale.

This vision represents our continuous effort to grow responsibly — increasing our capacity, improving our systems, and building stronger connections with farmers and consumers. Through this expansion, we aim to create more jobs, bring better opportunities to rural areas, and make premium-quality rice available to families across India.

With every new step, Ripuraj moves closer to a future where our name stands for excellence, growth, and care for the people who make our journey possible.

RIPURAJ BECOMES INDIA'S LARGEST RICE PROCESSOR COMPANY

Massive Processing Capacity

RIPURAJ will process 15 lakh metric tons of Basmati and Non-Basmati paddy every year establishing one of the largest production capacities in the country.

Integrated Logistics Infrastructure

RIPURAJ will be the only company in India to combine advanced manufacturing with a fully integrated logistics network, including railway siding and container handling depots for faster, more efficient operations.

Record Annual Revenue Target

The expansion is projected to drive annual revenue up to ₹6,000 crore, positioning RIPURAJ among India's leading agri-based enterprises.
